Your veterinary practice wants to make sure you have all of the information you need in order to provide the best care for your pet.

They have partnered with **PetED Veterinary Education and Training Resources** and they would like to offer you the opportunity to watch a series of educational videos about veterinary dentistry.

Once you have watched all of the videos, you will have the opportunity to print a one-time per family **REWARD** Coupon for **10%** off the next dentistry provided.

As a participating practice, they have agreed to honor that reward.
